E-11 POLICY: Harassment Policy

NOTE: For convenience, this policy uses the term "Complainant" to refer to the person who experiences harassment even though not all persons who experience harassment will make a formal complaint. The term "Respondent" refers to the person against whom a complaint is made.

POLICY STATEMENT

1. The BCSSA is committed to providing opportunities for every individual within the speed skating community to reach his or her potential in skill and excellence. In keeping with the spirit of this statement, the BCSSA is committed to providing a work and recreational environment in which all individuals are treated with respect and dignity, which promotes equal opportunities and prohibits discriminatory practices.
2. Harassment is a form of discrimination. Harassment is prohibited by human rights legislation in Canada.
3. Harassment is offensive, degrading and threatening. In most extreme forms, harassment can be an offence under Canada's Criminal Code.

APPLICATION

4. This Policy applies to all categories of members in the BCSSA as well as to all individuals engaged in activities with or employed by the BCSSA, including but not limited to: officials, instructors, volunteers, directors, officers, athletes, coaches, administrators and employees (including contract personnel).

5. This Policy applies to harassment which may occur during the course of the BCSSA business, activities and events including, but not limited to: meetings, courses, competitions, training camps, exhibitions and travel associated with these activities. It also applies to harassment between individuals associated with the BCSSA but outside of the BCSSA's business and events when such harassment adversely affects relationships within the BCSSA's work and sport environment.
6. Harassment arising within the business, activities and events of member organizations of the BCSSA shall be dealt with using the policies and mechanisms of such organizations.

DEFINITIONS

7. Harassment can generally be defined as comment or conduct directed toward an individual or group of individuals which is insulting, intimidating, humiliating, malicious, degrading or offensive.
8. For the purposes of this policy, *sexual harassment* is defined as unwelcome sexual advances, requests for sexual favours or other verbal or physical conduct of a sexual nature when:
 - a. submitting to or rejecting this conduct is used as the basis for making decisions which affect the individual; or
 - b. such conduct has the purpose or effect of interfering with an individual's performance; or
 - c. such conduct creates an intimidating, hostile or offensive environment.
9. Types of behaviour which constitute harassment include, but are not limited to:
 - a. written or verbal abuse or threats;
 - b. the display of visual material which is offensive or which one ought to know is offensive
 - c. unwelcome remarks, jokes, comments, innuendo or taunting about a person's looks, body, attire, age, race, religion, sex, or sexual orientation;
 - d. leering or other suggestive or obscene gestures;
 - e. condescending, paternalistic or patronizing behaviour intended to undermine self-esteem, diminish performance or adversely affect working conditions;
 - f. practical jokes which cause awkwardness or embarrassment, endanger a person's safety or negatively affect performance;
 - g. unwanted physical contact including touching, petting, pinching, or kissing;
 - h. unwelcome sexual flirtations, advances, requests or invitations;
 - i. physical or sexual assault;

CONFIDENTIALITY

10. The BCSSA recognizes that it can be extremely difficult to come forward with a complaint of harassment and that it can be devastating to be wrongly accused of harassment. The BCSSA recognizes the interests of both the Complainant and the Respondent in keeping the matter confidential, except where such disclosure is required by law. This shall not preclude publication of the final outcome of any matter.

TIMELINES

11. Timelines in this policy are in total days, irrespective of weekends or holidays. Where a deadline falls on a weekend or holiday, the next business day shall be the deadline for the purpose of procedures under this Policy.

E-11 PROCEDURE: Harassment Policy

COMPLAINT PROCEDURE

1. A person who experiences harassment is encouraged to make it known to the harasser that the behaviour is unwelcome, offensive and contrary to this Policy.
2. If confronting the harasser is not possible or if after confronting the harasser the harassment continues, the Complainant should request that the BCSSA appoint an accredited Harassment Advisor from within the association or outside of the association, or a meeting with an official of the BCSSA. For purpose of this procedure, an "official" may be a member of the BCSSA Board or the BCSSA Harassment Advisor as accredited within the BC sport system as a Provincial Harassment Advisor.
3. Nothing in this Policy precludes a representative of the BCSSA from bringing forward a complaint in accordance with the provisions of this Policy.
4. Once contacted by a Complainant the role of the official is to serve in a neutral, unbiased capacity in receiving the complaint and assisting in its informal resolution. If the official considers that he/she is unable to act in this capacity, the Complainant shall be referred to another BCSSA official.
5. There are three possible outcomes to this meeting of the Complainant and official:
 - a. it may be determined that the conduct does not constitute harassment as defined in this Policy, in which case the matter will be closed; or
 - b. the Complainant may decide to pursue an informal resolution of the complaint, in which case the official will assist the two (2) parties to negotiate an acceptable resolution of the complaint; or
 - c. the Complainant may decide to make a formal written complaint to the BCSSA in which case the official shall advise the President of the BCSSA, or delegate of the President, either of whom may appoint an independent individual to conduct an investigation of the complaint.
6. Ideally, the Investigator should be a person experienced in harassment matters and investigation techniques, and may be an outside professional. He/she shall carry out the investigation in a timely manner and at the conclusion of the investigation shall submit a written report to the President or the President's delegate.
7. Where there is an investigation, within seven (7) days of receiving the written report of the Investigator, the President or delegate shall determine whether or not there are grounds for a hearing and shall appoint three (3) impartial individuals to serve as a Panel.

8. Where there is no investigation, within seven (7) days of receipt of the formal complaint the President shall appoint three (3) impartial individuals as a Panel.
9. Harassment complaints occurring within competitions may be dealt with immediately, if necessary, by a BCSSA representative in a position of authority, provided the individual being disciplined is told the nature of infraction and has opportunity to provide information concerning the incident. In such situations, sanctions shall be for the duration of the competition only. Further sanctions may be applied but only after review of the matter in accordance with the procedures set out by this Policy. This review does not replace the appeal provisions of this Policy.
10. This Policy and Procedure shall not prevent a person in authority taking immediate, informal corrective disciplinary action in response to behaviour that, in his/her view, constitutes a minor incidence of harassment.

HEARING

11. A Hearing shall take place in accordance with the process set out in the BCSSA's Discipline Policy and in addition:
12. The Complainant and Respondent shall each receive a copy of the Investigator's report if such an investigation is carried out.
13. If there is an in-person hearing, the Complainant shall be present at the hearing to respond to the Investigator's report, give evidence and to answer questions of the Panel.
14. If there is an in-person hearing, the Investigator may attend the hearing at the request of the panel.
15. As soon as possible but in any event within seven (7) days of the Hearing, the Panel shall present its Decision to the President or designate and to the Executive Director, with a copy provided to both the Complainant and Respondent. This Decision shall contain:
 - a. a summary of the relevant facts;
 - b. a determination as to whether the acts complained of constitute harassment as defined in this Policy;
 - c. recommended disciplinary action against the Respondent, if the acts constitute harassment; and
 - d. measures to remedy or mitigate the harm or loss suffered by the Complainant, if the acts constitute harassment.
16. If the Panel determines that the allegations of harassment are false, vexatious, retaliatory or frivolous, its Decision may direct disciplinary action against the Complainant.

RELUCTANT COMPLAINANT

17. If at any point during the proceedings under this policy the Complainant becomes reluctant or unable to continue, it shall be at the sole discretion of the President, or designate, to continue the review of the complaint in accordance with this Policy. In such instances, the BCSSA shall take the place of the Complainant.

SANCTION

18. When directing the appropriate disciplinary sanction, the Panel shall consider factors such as:
 - a. the nature and severity of the harassment;
 - b. whether the harassment involved any physical contact;
 - c. whether the harassment was an isolated incident or part of an ongoing pattern;
 - d. the nature of the relationship between the Complainant and Respondent;
 - e. the age of the Complainant;
 - f. whether the Respondent had been involved in previous harassment incidents;
 - g. whether the Respondent admitted responsibility and expressed a willingness to change;
 - h. whether the Respondent retaliated against the Complainant;

19. In directing disciplinary sanctions, the Panel may consider the following options, singly or in combination, depending on the nature and severity of the harassment:
 - a. verbal apology;
 - b. written apology;
 - c. letter of reprimand from the organization;
 - d. a fine or levy;
 - e. referral to counselling;
 - f. removal of certain privileges of membership or employment;
 - g. temporary suspension with or without pay;
 - h. termination of employment or contract;
 - i. expulsion from membership;
 - j. publication of the decision.

20. Failure to comply with a sanction as determined by the panel shall result in automatic suspension in membership from the BCSSA until such time as the sanction is fulfilled.

21. The President, or designate, may determine that the alleged conduct is of such seriousness as to warrant suspension of the member from the BCSSA pending the hearing and decision of the panel.

22. Notwithstanding the procedures set out in this Policy, any member of the BCSSA who is convicted of a criminal offence involving sexual exploitation, invitation to sexual touching, sexual interference or sexual assault shall face automatic revocation of membership in the BCSSA.

APPEAL PROCEDURE

23. Both the Complainant and Respondent shall have the right to appeal the decision and sanctions of the Panel, in accordance with the BCSSA's Appeal Policy.

At the same time members are expected to fulfill certain responsibilities and obligations, including but not limited to, complying with Bylaws, Code of Conduct, Policies, Rules and Regulations of the BCSSA.

The President of the BCSSA shall not determine if the error has been made, only if the appeal is based on such allegation of error by the Respondent. In the absence of the President, a member of the Executive shall perform this function.
2. If the appeal is denied on the basis of insufficient grounds, the Appellant shall be notified of the decision in writing, giving reasons. This decision is at the sole discretion of the President of the BCSSA, or a designate, and may not be appealed.

APPEAL PANEL

3. If the President of the BCSSA, or a designate, is satisfied that there are sufficient grounds for an appeal, within seven (7) days of having received the original notice of appeal, the President of the BCSSA, or a designate, shall establish an Appeal Panel (the "Panel") as follows:
 - a. the Panel shall be comprised of three (3) individuals who shall have no significant relationship with the affected parties, shall have had no involvement with the decision being appealed, and shall be free from any other actual or perceived bias or conflict;
 - b. at least one (1) of the Panel's members may be from among the Appellant's peers;

PRELIMINARY CONFERENCE

4. The Panel may determine that the circumstances of the appeal warrant a preliminary conference:
 - a. the matters which may be considered at a preliminary conference include date and location of hearing, timelines for exchange of documents, format for the appeal, clarification of issues in dispute, any procedural matter, order and procedure of hearing, remedies being sought, identification of witnesses, and any other matter which may assist in expediting the appeal proceedings.
5. The Panel may delegate to its Chairperson the authority to deal with these preliminary matters.

 - h. if the matter under appeal relates to team selection, any person potentially affected by the decision of the Panel shall become a party to the appeal;
 - i. the Panel may direct that any other individual participate in the appeal.
7. In the event that one of the Panel's members is unable or unwilling to continue with the appeal, the matter will be concluded by the remaining two (2) Panel members. Should the Chair of the Panel be unable or unwilling to continue with the appeal, the remaining Panel members shall appoint a Chair from among themselves. If they are unable to select a Chair, the President shall appoint one of the Panel members to act as Chair. In the event there is a tie in making a final decision in the matter being appealed, the Chair shall carry the deciding vote.
8. Unless otherwise agreed by the Parties, there shall be no communication between Panel members and Parties except in the presence of, or by written copy to, the other Parties.
9. In order to keep costs to a reasonable level, the Panel may conduct the appeal by means of a conference call or video conference.

APPEAL DECISION

10. Within seven (7) regular days of concluding the appeal, the Panel shall issue its written decision, with reasons. In making its decision, the Panel shall have no greater authority than that of the original decision-maker. The Panel may decide:
 - a. to void or confirm the decision being appealed;
 - b. to vary the decision where it is found that an error occurred and such an error cannot be corrected by the original decision-maker for reasons which include, but are not limited to, lack of clear procedure, lack of time, or lack of neutrality;
 - c. to refer the matter back to the initial decision-maker for a new decision; and
 - d. to determine how costs of the appeal shall be allocated, if at all.
11. A copy of this decision shall be provided to each of the Parties and to the President.

TIMELINES

12. If the circumstances of the dispute are such that this Policy will not allow a timely appeal, the Panel may direct that these timelines be abridged. If the circumstances of the disputes are such that the appeal cannot be concluded within the timelines dictated in this Policy, the Panel may direct that these timelines be extended.

DOCUMENTARY APPEAL

13. Any Party to the appeal may request that the Panel conduct the appeal by way of documentary evidence. The Panel may seek agreement from the other parties to proceed in this fashion. If agreement is not forthcoming, the Panel shall decide whether the appeal shall proceed by way of documentary evidence or in-person hearing.

E-14 POLICY: Arbitration Policy

1. All differences or disputes shall first be submitted to appeal pursuant to the appeal process set out in these Policies and Procedures. If any Party believes the Panel has made an error such as those described in E-14 POLICY: Appeals Policy, the matter shall be referred to arbitration, such arbitration to be administered under the Alternate Dispute (ADR) Program for Amateur Sport and its Rules of Arbitration, as amended from time to time.
2. Should a matter be referred to arbitration, all Parties to the original appeal shall be Parties to the arbitration.
3. The Parties to arbitration shall enter into a formal Arbitration Agreement and the decision of any arbitration shall be final and binding.

LOCATION AND JURISDICTION

4. Any appeal shall take place in Metro Vancouver, unless the Panel agrees to an alternate location or held by way of telephone conference call or video conference call or held elsewhere as may be decided by the Panel as a preliminary matter.
5. This Policy shall be governed and construed in accordance with the laws of the Province of British Columbia.
6. No action or legal proceeding shall be commenced against the BCSSA in respect of a dispute, unless the BCSSA has refused or failed to abide by the provisions for appeal and/or arbitration of the dispute, as set out in this Policy.

E-15 POLICY: Insurance for BCSSA and Membership Activities

PREAMBLE

Insurance is maintained by the BCSSA for the protection of its membership. In spite of careful precautions, accidents can happen. This can result in an individual being sued by someone who claims injury or damages resulting from Speed Skating operations or events. Even if the individual is found to be blameless, litigation expenses could severely strain their resources. The BCSSA liability insurance will defend a member and pay for damages that may be awarded against them.

1. Insurance Company

The BCSSA has a Commercial General Liability Insurance Policy with a respected insurance carrier. The policy is renewable on a yearly basis and the expiry date is October 1st of each and every year. It is a broad policy covering all members in good standing including Athletes, Board, Directors, Executive, Managers, Coaches, Officials, employees and volunteers, while acting for BCSSA.

2. Certificate of Insurance

At the beginning of each skating season, all Speed Skating Clubs can download a Certificate of Insurance from the website to show each of these Clubs is named on the Policy. It is common practice for each City or Municipality to not allow the ice to be rented by the Speed Skating Clubs until a copy of the Certificate of Insurance is received.

E-15 PROCEDURE: Insurance for BCSSA and Membership Activities

1. It is strongly recommended that where an injury has resulted during a recognized BCSSA event that a claim form be filed immediately, whether or not the severity of the injury has been determined.
2. A Claim Form is inserted in all sanctioned packages when a sanction has been requested.
3. In the event that a claim form is needed for other Speed Skating activities, i.e.: practices, demonstration, mass start event, etc., forms are available from the BCSSA office and one will be faxed or emailed to them.
4. The form must be completed within the statutory timeframe set out by the insurance company.
5. The insurance policy is currently with BFL Canada Ltd.

SECTION F – EQUITY AND ACCESS

F-1 POLICY: Gender Equity

1. The BCSSA is committed to a policy and achievement of total gender equality and recognizes the importance of measuring all its objectives against the values of equity and fairness.
2. A member of the Club and Membership Development Committee will monitor BCSSA programs to identify areas where access to the sport is not open to all and to advise the Board of same.

F-2 POLICY: Diversity in sports

1. The BCSSA believes that the strength of any organization is its people; the strengths, beliefs, differences, etc., all of which blend together into a cohesive unit which allows greater vision and purpose. The BCSSA advocates for the right of all to access and be part of sport.
2. A member of the Club and Membership Development committee will monitor BCSSA programs to identify areas where access to the sport is not open to all and to advise the Board of same.

F-2 PROCEDURE: Diversity in Sports

1. The BCSSA recognizes that First Nations People have, at times, not had opportunities to access all sports. There is a need to work together with the First Nations People to strategically provide opportunities for their People to participate in speed skating.
2. The BCSSA will network with the First Nations People in order to ensure they are aware of the programs offered and to identify other programs that may better meet their needs.

F-3 POLICY: Persons with Disabilities

1. The BCSSA is committed to providing opportunities for Persons with Physical, Sensory or Intellectual Disabilities to participate in speed skating. Working together with Persons with Disabilities, we will provide education for our membership and be creative and innovative in approach in order to meet the common goal of integration and independence.
