## Talent Development Camp

The Talent Development camp is a high-performance training opportunity for top junior skaters from Western Canada. Skater participation is based on performance at national and regional level events, National Qualifier and Western Elite Circuit. The goal is to have a positive intervention with these skaters at a time when it will have a critical impact on their skating development. Athlete progress will be tracked after they leave the camp to gauge the impact on Speed Skating Canada's national programs. The outcome of the camp is to increase the competitiveness of western based skaters regionally and nationally. Register online at <https://goo.gl/wjmlNo>
