The Officials Development Committee has reviewed the selection of officials for this season's competitions and the subsequent competitions were allocated to the following Officials.

Note: Assignments are contingent based on the following:

1. Assignments are subject to change awaiting confirmations.
2. Meets assigned after January 1, 2018 are subject to budget (funding will be confirmed at the end of October).
3. Will be clarified what BCSSA ODC will fund and what clubs will fund.
4. SSC has assigned officials to CanWest ST in Abbotsford and CC#3/CJC LT in Fort St. John. Names are shown in bolded italics.
5. Identify any conflicts to BCSSA ODC ASAP so we can assign alternates.

ODC would like to take this opportunity to thank all our officials for their time and dedication to the sport, without which, our athletes would not have the opportunity to improve as they strive to be the best they can be.

ODC wishes to thank all our senior officials for the continued mentorship and support shown to our new officials.

The respective clubs will be contacted by ODC informing them of our selection of Officials to each of the competitions. I would strongly urge you to contact the host club of the meet you have been appointed to officiate.

It is important that if for any reason you are unable to preside at the competition you have been appointed to, that you contact BCSSA ODC ASAP so that we can find a suitable replacement.

Please go to the SSC website to download your PDF copy of the revised rules (Redbook). The ISU green book is now on line as a downloadable PDF(no charge) on the ISU website. I would encourage you to visit the BCSSA website for rule updates, official's reports and the HPC competition bulletins. Please contact BCSSA ODC if you need clarification.

Funding:

In order to get the most funds to our officials we will be operating on a tight budget this year. If flying, we ask that **you make your own arrangements** as early as possible to take advantage of any possible seat sales. We will be paying your gas to the competition or airfare whichever is less. ODC will pay up to \$45 per day per diem. Please keep all your accommodation, airfare and or gas receipts and submit them to BCSSA ODC **unless you are the chief and then your accommodation and meal expenses must be submitted to the hosting club for re-imbursement**. All officials must fill out a BCSSA ODC claim form if claiming expenses. <http://www.speed-skating.bc.ca/officials/officials-resources/>. This is in keeping with SSC ODC policy and is good training for our provincial referees for reimbursement of expenses. Please Note: The online chief referee report must also be done before any receipts will be paid out.

Please Note: Chief starter and chief referee: your hotel and meals costs are the responsibility of the hosting club. The hosting club will be reminded that this is their responsibility.

Should you have any questions or concerns please feel free to contact the ODC committee at your convenience.

Thank you

BCSSA ODC
