

R2RD Short Track

ISSUE 6 | AUGUST | 2018

Welcome to the August edition of “R2RD Short Track”. This is a condensed version highlighting the **SD#1 competition August 18th and 19th at the Calgary Olympic Oval.**

[The registration deadline in August 9th, 2018.](#)

As we are only 3 months away from our trials in Kamloops (Nov. 3/4th with the Relay Camp on Nov.5th) it is time to prioritize your efforts and begin the final preparations.

You will note the SD series is typically a half day event. However this year the event

has been elevated to 2 days to include more racing and a relay component.

If possible, we are strongly encouraging travel to this event to maximize this opportunity. Relay teams become more effective and efficient with time spent training and racing together and are a very important component of the CWG's.

WEC #1 is the last competition of the R2RD series. The engagement and racing thus far has been great!

See you in Calgary!
