This bulletin addresses the mandate of the Athlete Development Committee (ADC) related to the selection of Team BCSSA to represent the province at national competitions. This bulletin refers to how members of Team BCSSA, for each of the age class national championships, will be selected by ADC.

A separate bulletin addresses the Provincial Performance Program (PPP). A PPP athlete ***is not automatically selected*** and will have to meet criteria to be added to Team BCSSA for the championships. Conversely, selection to Team BCSSA ***does not automatically qualify*** this athlete as a PPP athlete.

## Introduction

Athlete Development Committee (ADC) is responsible to set criteria in order to select skaters to represent BCSSA as “Team BCSSA” for the Canadian Age Class Long Track Championship and Canada West Short Track Championship. Team BCSSA is selected for these specific events, at specific times of the year.

Please note that all BC skaters, ***including those training out-of-province***, must submit their registration documents to BCSSA for national championship and selection competitions. In the event that there is an online registration process, skaters may register online. Registration details for each national competitions will be released on the BCSSA website and on BCSSA social media channels.
